

January 18, 1974

William C. Parler, Esq., Chairman
Atomic Safety and Licensing
Appeal Board
U. S. Atomic Energy Commission
Washington, D. C. 20545

In the Matter of
Consolidated Edison Company of New York, Inc.
(Indian Point Nuclear Generating Station, Unit No. 2)
Docket No. 50-247

Dear Mr. Parler:

On January 14, 1974, you sent Mr. Karman a list of questions for which the Appeal Board desired a response by January 21, 1974. Unfortunately, Mr. Karman is not available to respond to the Board's request due to the death of his Mother on Tuesday evening, January 15, 1974. We have, nevertheless, had staff personnel preparing appropriate responses. However, the absence of the senior attorney familiar with the extensive record in the case, requires more time than would be needed had Mr. Karman been able to attend to the Board's questions personally.

We believe that we will be able to provide the desired response by January 25, 1974, and ask the Board for this additional time for response.

Sincerely,

Joseph F. Scinto
Assistant Chief Hearing Counsel
