In the Matter of
Consolidated Edison Company of New York, Inc.
(Indian Point Nuclear Generating Station, Unit No. 2)
Docket No. 50-247

Gentlemen:

At the in-camera security hearing held in subject proceeding on November 13, 1974, at the Indian Point site, the Appeal Board entered into the record, for information purposes only, a letter dated October 16, 1974, from the Director, Resources and Economic Development Division, United States General Accounting Office, to the Chairman of the Atomic Energy Commission. The letter related to security systems at commercial nuclear power plants.

I am enclosing herewith a letter, dated October 31, 1974, from the Director of Regulation, Atomic Energy Commission to the Director, Resources and Economic Development Division, GAO, responding to the aforementioned GAO letter of October 16, 1974.

It is requested that the October 31, 1974 letter be entered into the record in same manner as the GAO letter of October 16, 1974.

Sincerely,

Myron Karman
Counsel for AEC Regulatory Staff
