Dear Mr. Chairman:

Enclosed is a copy of a letter I have received from
Dr. Stanley Tannenbaum, one of my constituents. I believe
it is self-explanatory.

I should appreciate it very much if you would kindly
look into the questions raised by Dr. Tannenbaum and let me
have your comments.

Thank you for your kind attention in this matter.

With all good wishes,

Yours sincerely,

Honorable Congressman Ferrisick,

I am sure that you have heard of
 the resignation of Mr. Pollack from the
 U.S. Nuclear Regulatory Commission and
 his claim that Indian Point Plant No 2
 is unsafe. I think this accusation is very
 serious and more serious is the implication
 that other unsafe nuclear plants have
 been or are being built. I hope
 you will attempt to lead the House to an
in depth investigation of these
 allegations.

Respectfully,

Mr. Stanley Tannenbaum
