Environmental Analyses

Re: Docket #50-247

Dear Mr. Knighton:

The Village of Buchanan received a copy of a letter addressed to Consolidated Edison which I enclose herewith and the Village of Buchanan is interested and would like to enter into the proceedings and intervene as a full party in connection with any hearings regarding the Indian Point Nuclear Plants. My understanding is that there is an application before your division on behalf of Consolidated Edison to extend for two years their once-through cooling system for Indian Point Unit # 2. Will you please advise.

Thanking you, I am

Very truly yours,

Carl R. D'Alvia
Village Attorney
