

There is no way to peace...peace is the way

8 April 1968

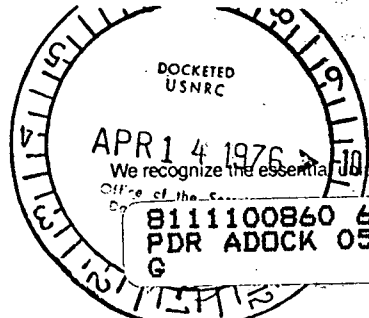

Dear Mr. Farrar,

I have just received notice of the hearings to be held first in White Plains on April 21st, 22nd, 23rd and later Bethesda.

- 1) Why can't they all be held here?
- 2) I should like to make a statement before the commission.
- 3) Why are they being held during the day when most people will be working? At least one session should be held during evening hours.
- 4) The hearings should also be given media coverage for only then can all the people be informed.

Thank you for the attention you give this letter.

Sincerely,
Maria F. Valdesmi
