Cooling System

Dear Sir:

On October 14, 1977, I filed with you Con Edison's Brief to the Commission in the above referenced matter. In discussing the case of Consolidated Edison Co. v. Hoffman pending before the New York Court of Appeals, the brief stated that oral argument was expected in late 1977 or early 1978. Con Edison Brief dated October 14, 1977, p. 11.

This is to advise the Commission that we have just received the attached letter from the Court of Appeals scheduling the oral argument for January 5, 1978.

Very truly yours,

Edward J. Sack
