November 25, 1980

Chairman John Ahearne  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555

Dear Chairman Ahearne:

Due to the recent accidents at Indian Point Nuclear Power Plant, I urge you to refuse permission to resume operations by both Consolidated Edison and the Power Authority of the State of New York at least until the promised safety hearings have been held.

YOU MUST REMIND YOURSELF THAT 10% OF THE TOTAL POPULATION OF THE UNITED STATES IS IN YOUR HANDS.

Sincerely yours,

*Mark J. Kuno*
