

U.S.  
November 6, 1980.  
Nuclear Regulatory Commission  
John Ahern, Chairman  
1717 H. Street N.W.  
Washington, D.C. 20006.

Dear Mr. Ahern,

I urge you to order a complete shut-down of all three Indian Point nuclear reactors. The functioning of these reactors is a menace to the life and health of millions of people around its radius.

Sincerely yours,

Claire Vago
