John Ahern, Chair.
Nuclear Regulatory Comm.
1717 H. Street N.W.
Washington, D.C.

Dear Mr. Ahern,

We urge you to order a
complete shut-down of all the
Indian Point nuclear reactors.
It is very painfully obvious
that they are a menace to
the lives and well-being
of millions of our fellow-
Americans in a vast area
of the New York City - N.Y.S. -
Metropolitan - N. Jersey - Conn.
area. And shut them down
permanently.

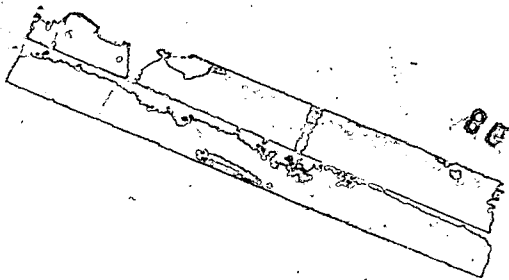

Sincerely yours,
Mr + Mrs. Leonard Boyer
and family
