October 28, 1980

John Ahearne, Chairman
US NRC
1717 H Street, N.W.
Washington, DC

Dear Mr. Ahearne:

I urge you to do all in your power to make sure that the recent shutdown at Indian Point be made permanent and that a thorough investigation and disclosure of the causes and the delay in reporting what the NY Times called "a serious accident" be mounted by the NRC.

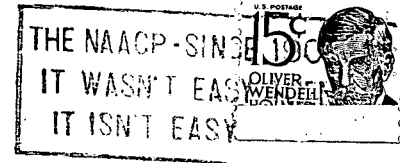

Sincerely,

Conrad Brown

Dear Peter Bradford:

I urge you to do all in your power to make sure that the recent shutdown of the Indian Point plant be made permanent and that a thorough investigation of the causes and delay in reporting be mounted by the NRC and aired to the public.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Conrad Brown', with a long horizontal flourish extending to the right.

Dear Joseph Hendrie:

I urge you to do all in your power to make sure that the recent shutdown at Indian Point be made permanent and that a thorough investigation of the causes and of the delay in reporting of what the NY Times called "a serious accident" be mounted by the NRC and aired by the public.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Conrad Brown', written over the word 'Sincerely,'.
