Mr John Aherne
1717 H. St. N.W.
Washington D.C. 20006.

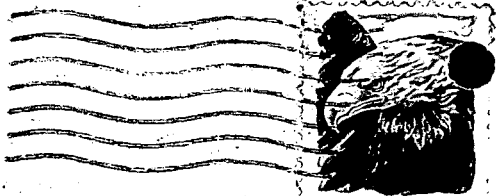

Dear Sir:

wish to urge that
the Indian Point Facility
nuclear reactor continue to
be closed down.

It is indecent of
Con Ed to wish to pass along
the daily loss of revenue because
of the close down. I think we
should think of people first,
not profits.

Yours sincerely,
Mildred Mogulescu
