Hi Jim.

Thanks again for all yours and the IMPEP Team's efforts during on our recent Agreement State review. Attached is our formal response to the review and the draft report. As we've said many times, your many best management practice suggestions and one formal recommendation can only make the Commonwealth's AS program that much better. We're very proud to have all "satisfactory and compatible" for your review categories and metrics.

Joe, Ben and I look forward to going over our response with you and others in the upcoming MRB meeting. If you have any questions prior to the MRB, please let us know.

Regards,

Dave
