Route Approval Application (NRC No. 234)

**Route: Argonne National Laboratory, Argonne IL to the Idaho National Laboratory
located near Idaho Falls, ID.**

By application dated December 28, 2010, Secured Transportation Services requested approval of a route to transport fuel from Argonne National Laboratory, Argonne IL to the Idaho National Laboratory located near Idaho Falls, ID. This request identifies and requests additional information needed by the U.S. Nuclear Regulatory Commission (NRC) staff in order to complete its review of the application and to determine whether the applicant has demonstrated compliance with the regulatory requirements.

Verify and re-submit the 24-hour emergency contact information provided along the proposed route from Argonne National Laboratory, Argonne IL to the Idaho National Laboratory located near Idaho Falls, ID.

The emergency contact information provided along the proposed route contains some incorrect telephone numbers. In particular the emergency contact numbers for LaSalle and Bureau Counties in IL may be incorrect. In addition, the Iowa's governor's designee telephone number is incorrect.

The 24-hour Contact information ensures that local law enforcement and emergency assistance is available while the fuel shipment is in transit in accordance with the requirements of Title 10 of the *Code of Federal Regulations* Part 73.37
