Calling all boaters, fishermen, golfers, equestrians, hunters, campers, hikers, and bikers! Cecil has something for you.

Nature lovers can easily find a spot along our shores to enjoy a favorite outdoor activity. Listen to the sounds around you as you explore trails through the beautiful countryside and along streams.

Feel the little tug at the end of your fishing line, then a bigger one and a bigger one as you snag a catch!

Hear the whoosh of a golf club just before it sends your ball sailing toward the lush green.

Feel the breeze on your face as your sailboat tacks this way and that across the horizon, or your jet ski hops across the waves.

Pull out your calendar, circle a few days, and chart your course for Cecil's Great Outdoors!
