Re: License Number: 06-30271-01

Vion Pharmaceuticals, Inc. has filed a Chapter 11 petition to liquidate the company. It has also decided to terminate the Radioactive Materials License and to decommission the lab space with the help of a third party, which has experience in the decommissioning process. The RSO, Dr. Michael Belcourt, has left the company on December 7, 2009 and I am now handling issues related to the use of radioactive material. I'll give you a call to discuss the decommissioning plan.

I can be reached at (203)672-4550 or email at [iking@Vionpharm.com](mailto:iking@Vionpharm.com).

Sincerely,

Ivan King  
Vice President of Research and Development
