Re: AEC Docket No. 50-247
Indian Point Station, Unit No. 2

Dear Dr. Morris:

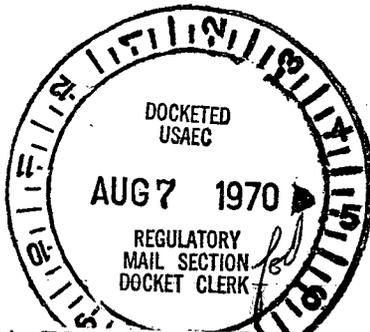

By your letter dated May 7, 1970, you requested the Consolidated Edison Company to supply certain information on environmental aspects of Indian Point Unit No. 2. In response to your request we have prepared a document entitled "Applicant's Environmental Report - Operating License Stage", one hundred (100) copies of which are enclosed.

In preparing this report we have been guided by the proposed Appendix D to 10 CFR Part 50, entitled "Statement of General Policy and Procedure: Implementation of the National Environmental Policy Act of 1969" (35 Fed. Reg. 8594, June 3, 1970).

Very truly yours,

Harry G. Woodbury
