

Docket No. 50-247

New York State Office of  
Planning Coordination  
488 Broadway  
Albany, New York 12207

Dear Sir:

In accordance with the public information requirements of section 10(g) of the Council on Environmental Quality's Guidelines and the Atomic Energy Commission's regulation, 10 CFR Part 50, Appendix D, implementing the National Environmental Policy Act of 1969, I am pleased to provide you with the supplemental environmental reports on Indian Point Unit No. 2 submitted by the Consolidated Edison Company of New York, Inc. Please make the reports, the enclosed Federal Register notice, and the enclosed public announcement available to the public at your clearinghouse.

The reports have also been placed in the AEC's Public Document Room at 1717 H Street N.W., Washington, D. C., in the office of Dr. Eugene W. Booth, Hendrick Hudson High School Library, Albany Post Road, Montrose, New York, and with the Metropolitan District Review Coordinator, Office of Planning Coordination, 1841 Broadway, New York, New York.
