Docket No. 50-247

Mr. A. B. Virkler Legate
Executive Secretary
Department of Transportation
Washington, D. C. 20590

Dear Mr. Legate:

By letter of August 17, 1970, we sent you a copy of the environmental report prepared by the Consolidated Edison Company of New York, Inc., for the proposed Indian Point Nuclear Generating Unit No. 2.

In accordance with the Interim Guidelines of the Council on Environmental Quality and with the Commission's revised statement of general policy on implementation of the National Environmental Policy Act of 1969, our letter (a) requested comments within 30 days as to those matters over which your agency has jurisdiction by law or special expertise or is authorized to develop and enforce environmental standards, and (b) indicated that if no comments were received within the 30-day period, it would be presumed that your agency has no comments to make.

Since we have not received any comments from your agency, it is presumed that your agency has no comments to make on this matter. We are proceeding with the preparation of our detailed environmental statement for the Indian Point Nuclear Generating Unit No. 2 and will forward a copy to you when it is complete.

Sincerely,

Original Signed by
