Honorable Nelson A. Rockefeller  
Governor of New York  
New York, New York 10001

Dear Governor Rockefeller:

As I indicated in my letter of June 9, 1970, I am enclosing copies of the environmental report submitted to the Atomic Energy Commission by the Consolidated Edison Company of New York, Inc., for the proposed Indian Point Nuclear Generating Station Unit 2, to be located in the Village of Buchanan, Westchester County, New York.

A summary notice of the availability of the report is being published in the Federal Register inviting comments on the proposed action and on the report from State and local agencies of any affected state (with respect to matters within their jurisdiction) which are authorized to develop and enforce environmental standards. These State and local agencies are requested to provide their comments within sixty days. A copy of this notice is also enclosed.

Sincerely,

( signed ) Harold L. Price
