# ENVIRON

Gentlemen:

This supplements our April 14, 1972 letter transmitting our Draft Detailed Statement on the Indian Point Nuclear Generating Unit No. 2.

The Directorate of Licensing staff has analyzed the Supplemental Environmental Report and comments of Federal, State, and local agencies and interested members of the public on the Draft Detailed Statement, and has prepared a Final Environmental Statement related to Indian Point. These comments are included as appendices to the Final Statement. A copy of the Final Statement and the FEDERAL REGISTER notice of availability are enclosed. The notice of availability has been transmitted to the Office of the Federal Register for Publication.

Requests for copies of the Final Environmental Statement should be addressed to the United States Atomic Energy Commission, Washington, D. C. 20545, Attention: Deputy Director for Reactor Projects, Directorate of Licensing.

Sincerely,

Original signed by R. C. DeYoung

R. C. DeYoung, Assistant Director  
for Pressurized Water Reactors  
Directorate of Licensing
