ENVIRON

Dear Dr. Foell:

We are pleased to respond to your letter of March 27, 1972, relative to the environmental impact statements for Indian Point Units 1 and 2 and Zion Nuclear Power Station Units 1 and 2.

Draft environmental impact statements for the Indian Point and Zion Nuclear facilities have not yet been issued. We expect to issue the draft statement for Indian Point Unit 2 (including the effects of the operation of Unit 1) this month. In view of your interest in this matter we will forward a copy of this statement to you as soon as it is issued. We expect to issue the draft statement for the Zion Nuclear Power Station in May 1972. We will forward a copy of this statement to you when it is issued.

To assist you in developing your course on the environmental aspects of nuclear energy we are forwarding under separate cover the following documents:

1. Final Environmental Statement Related to Operation of Oconee Nuclear Station Units 1, 2 and 3, March 1972.
2. Final Environmental Statement Related to Construction of Midland Plant Units 1 and 2, March 1972.

These are the first final environmental statements issued by the Atomic Energy Commission. The statements contain comments on the draft statements by Federal, State and local agencies and interested persons. They are, therefore, our most complete environmental statements available to date.

If we can provide further information, please contact us.

Sincerely,

~~A. Giambusso~~
