Mr. Lester Rogers, Director
Division of Radiological and
Environmental Protection
U. S. Atomic Energy Commission
Washington, D. C. 205215

Docket No. 50-247
(Indian Point #2, N. Y.)

Dear Mr. Rogers:

The New York State Historic Trust has carefully examined the environmental statement prepared for this project. I am pleased to reply on behalf of the State Liaison Officer for Historic Preservation, the Chairman of the New York State Historic Trust.

In general, the New York State Historic Trust agrees with the Historical Impact Statement on Page V-2 of the Draft Statement on the Environmental Considerations and the sites mentioned in the Appendix at 2.1.3-2. However, the New York State Historic Trust regrets the already unsatisfactory visual impact of the Indian Point Construction on the historic environment of the Stony Point Battlefield and of the Palisades Interstate Park, both of which are Registered National Historic Landmarks. The New York State Historic Trust further hopes there will be no additional damaging effects in those surroundings.

I hope this information will be useful.

Very truly yours,

Mark Lawton
