Dear Mr. Knighton:

This letter is to confirm the rescheduling of the meeting between the Regulatory Staff and Con Edison to discuss our revised proposed Environmental Technical Specification Requirements for Indian Point Unit No. 2.

The new meeting date of Friday, May 18, 1973 was recommended by Dr. Mary Jane Oestmann on May 5, 1973. We agreed at that time to this new date.

We will assume, unless notified otherwise, that the meeting will be held at 9:00 a.m. in the AEC hearing room in the Woodmont Building, 8120 Woodmont Avenue, Bethesda, Maryland.

Very truly yours,
