Mr. Charles R. O'Neill, Jr.  
Environmental Coordinator  
Sullivan County  
Environmental Management Council  
Monticello, New York 12701

Dear Mr. O'Neill:

This is in response to your November 29, 1973, letter requesting certain information regarding safety and environmental considerations in the licensing of nuclear power plants. Your requests are answered in numerical order in the enclosure to this letter.

Please let me know if our response to your questions requires further clarification, or if you need additional information. We appreciate your interest in the Commission's licensing activities.

Sincerely,

/s/

Daniel R. Muller, Assistant Director  
for Environmental Projects  
Directorate of Licensing
