Dear Mr. Cahill:

J. Bolen, SS

In reference to our meeting of March 27, 1973 regarding proposed technical specifications on environmental matters, we agreed that the Applicant submit its revised document by mid April. Therefore, we propose that you submit your next draft by April 16, 1973 followed by another meeting to discuss comments on April 24, 1973, at the Bethesda Headquarters.

We hope that the second draft will have taken into account the verbal comments expressed at the March 27 meeting with your staff and the Regulatory Staff. The new draft should also include the type of material expressed in the scope for these technical specifications enclosed in our letter of January 13, 1973 to you.

In this regard, we therefore request that you submit to the AEC three signed originals and 37 additional copies of your second draft of the proposed Environmental Technical Specifications by April 16, 1973. Please advise us by return mail of your confirmation of the schedule or the date that you will be able to meet so we can plan accordingly.

Sincerely,

Original signed by
