Analysis
United States Nuclear Regulatory Commission
Washington, D.C. 20555

Re: Docket No. 50-247

Dear Mr. Knighton:

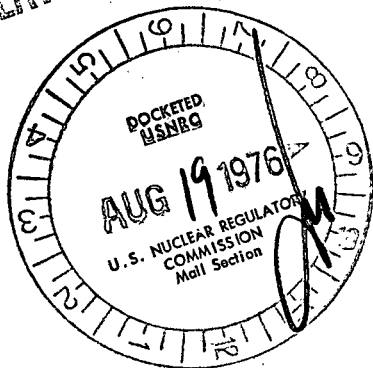

I have received the Federal Register Notice of Availability for the Environmental Statement for the Indian Point Nuclear Generating Unit No. 2.

I would appreciate it if you would send me copies of the NRC's draft of the environmental statement so that I may comment on the same.

Sincerely,

Myron M. Cherry
