Robert J. Glasser, Esq.
LeBoeuf, Lamb, Leiby, & MacRae
140 Broadway
New York, NY 10005

Dear Mr. Glasser:

Staff requests eight copies of "Supplement 2", August 1975, to Consolidated Edison Company "Environmental Report to Accompany Application for Facility License Amendment for Extension of Operation with Once-Through Cooling for Indian Point Unit No. 2". Please identify Supplement No. 1 for this same report.

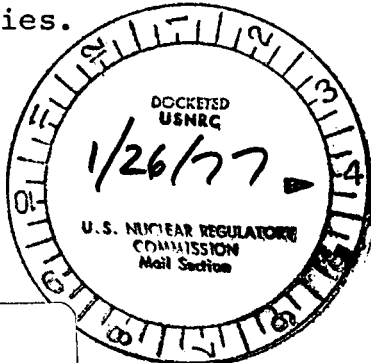

Staff calls your attention to the January 1977 report that Con Ed is to file with NRC. Staff requests that eight copies of this NRC report be sent to us at the same time that it is sent to NRC.

Sincerely,

Richard A. Azzaro
