Dear Dr. Geckler:

On August 27, 1976, we wrote to you asking for an extension of time to review and prepare any comments which we may make on the Draft Environmental Statement for Facility License Amendment for Extension of Operation With Once-Through Cooling for Indian Point Unit No. 2, Docket No. 50-247, published July, 1976.

At this time we would like to request a further extension until after our next board meeting, which will be held September 14, 1976.

Thank you very much.

Sincerely yours,

*Anne L. Donaldson*
