Don,

I think it is necessary to have the contractors from your end available during the call. Let me know if the Monday time works for you.

Thanks,

Mike

Don,

We'd like to have a relatively short teleconference. This will be about a follow up on the Dec 17 submission of information requested by the NRC during the 11/16/09 conference call. This information pertains to the supplemental information in RAI - 1889 response. Please let me know if the following times work for you -

Monday 1/25/10 @11:30am

or Tuesday 1/26/10 @11 am or @ 1:00pm

Thanks,

Mike
