RE: Mail Control No. 144377; License Number 06-30271-01

Dear Thomas,

Vion Pharmaceuticals, Inc. has decided to terminate the Radioactive Materials License and to decommission the laboratories with the help of a third party. Our RSO, Dr. Michael Belcourt, has left the company on December 7 and I shall assume the role of the RSO in the interim to handle the process of terminating the license and the decommissioning work. I shall send you additional information on the termination of the license when it is available.

Please feel free to contact me at (203) 672-4550 or via email ([iking@vionpharm.com](mailto:iking@vionpharm.com)) should you have any questions or suggestions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ivan King", is written over the typed name.

Ivan King, Ph.D.  
Vice President of Research and Development
