Docket No. 50-247

APR 17 1972

Richard C. DeYoung, Assistant Director for PWRs, DRL

INDIAN POINT NO. 2 - AVAILABILITY OF DRAFT ENVIRONMENTAL STATEMENT

The draft environmental statement for Consolidated Edison Company, Indian Point No. 2, has been prepared by this Division and will be available on April 13, 1972. It is understood that your office will prepare a Federal Register notice and will take the following action:

Send copies of the Federal Register notice and the draft environmental statement to the applicant, the Public Document Room, the Local Public Document Room, and appropriate State, regional, and metropolitan clearing-houses.

Daniel Muller, Assistant Director
for Environmental Protection *Project*
Division of Radiological and
Environmental Protection
