To whom it may concern,

The MT Group submitted an amendment request back on September 10, 2009 (See Attached). The request as documented was to add our Delaware facility and Connecticut facility to our existing New Jersey License, number 29-30465-01. While making the request I thought it would be automatic to cancel those licenses for those offices being they were being added to New Jersey, however they were not. Therefore I am requesting the termination of license # 07-30467-01 (Delaware) and 06-30466-01 (Connecticut).
