Dear Mr. Ottinger:

Thank you for your letter of July 12, 1968, concerning Consolidated Edison Company's application for Unit 3 of its Indian Point Station. The company's application to construct this unit is now under review by our regulatory staff, and by the Advisory Committee on Reactor Safeguards. A public hearing will be scheduled after these reviews are completed, in accordance with Section 189 of the Atomic Energy Act of 1954, as amended.

As you know, the hearing on Unit 2 of the Indian Point Station was held in Buchanan, New York. The hearing on Unit 3 will be held in the same vicinity. We will send you a copy of the Notice of Hearing when it is issued.
