Re: NRC Docket No. 50-286

Dear Mr. Rusche:

Pursuant to Section 50.30(c) (1) (ii) of the Commission's regulations, we transmit herewith on behalf of the Power Authority of the State of New York and Consolidated Edison Company of New York, Inc. three (3) originals and nineteen (19) copies of a document entitled APPLICATION TO AMEND CONSTRUCTION PERMIT and AMENDMENT NO. 1 TO APPLICATION TO AMEND OPERATING LICENSE for Indian Point Unit No. 3.

The Power Authority and Con Edison filed on April 25, 1975 an Application to Amend Operating License, for the purpose of permitting the Power Authority to purchase and acquire title to Indian Point Unit No. 3. The requested construction permit amendment would be for the same purpose and is needed only if no operating license has been issued to Con Edison by mid-December 1975. The document filed herewith also makes certain updating changes to the April 25, 1975 application.

A Certificate of Service is transmitted herewith.

Very truly yours,
