Dear Mr. DeYoung

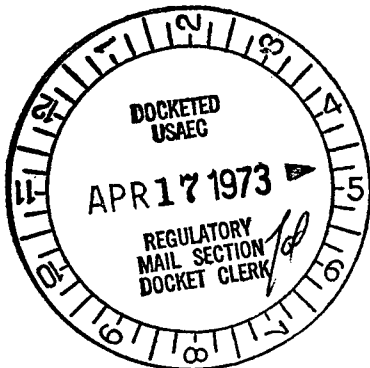

Your March 30, 1973 letter requested Con Edison commitments to implement Proposed Standard ANS 3.2 "Standard for Administrative Controls for Nuclear Power Plants". The letter requested a response on Section 4.0 of the standard by April 15th and on the remaining sections by July 1.

Con Edison intends to implement the requirements and recommendations of Section 4.0. We are currently evaluating the remaining sections of the standard and will respond to you on these sections by July 1, 1973.

Very truly yours
