Re: Consolidated Edison Company of New York, Inc.,
and Power Authority of the State of New York
(Indian Point Station, Unit No. 3)
Docket No. 50-286

Dear Mr. Case:

Consolidated Edison Company of New York, Inc., in its own right, and as agent for the Power Authority of the State of New York, hereby transmits three (3) signed originals and forty (40) copies of an Application for Amendment to Operating License DPR-64, sworn to on November 2, 1977.

This application requests an amendment to the Technical Specifications for Indian Point Unit No. 3, revising them in response to letters dated July 28, 1977, August 8, 1977, September 19, 1977 and October 20, 1977, from Mr. Robert W. Reid to Mr. William J. Cahill, Jr., and also effecting technical clarifications and editorial changes. The text of the requested modifications to the Technical Specifications and a safety evaluation are attached to the application papers.

It should be noted that on October 27, 1977, the Power Authority of the State of New York, as part of its application to amend Facility Operating License No. DPR-64 to permit it to assume sole responsibility for operation of Indian Point Unit No. 3, submitted proposed

revised Section 6 of the Technical Specifications for that Unit. Should that change be authorized prior to the authorization of the changes to Section 6 of the Technical Specifications proposed herein, this application would become moot insofar as it relates to Section 6 and should be, to that extent, considered withdrawn.

A certificate of service is enclosed.

Very truly yours,
