RECEIVED DISTRIBUTION  
SERVICES UNIT

Dear Sir:

The Power Authority hereby withdraws its "Application for Amendment to Operating License" dated May 23, 1978 which requested authorization to carry the Capsule T shipping cask over the Spent Fuel Pit. The site has developed an alternate method of removing the Capsule T specimen from the Spent Fuel Pit. This method has been successfully used at other facilities and does not require that the shipping cask be carried over the Spent Fuel Pit.

Very truly yours,

*Paul J. Early*
