Gentlemen:

In previous correspondence we requested your submittal of proposed Technical Specifications for shock suppressors (snubbers) for Indian Point Unit No. 2. By letter dated September 9, 1976, you submitted proposed Technical Specifications for Unit No. 2 that were consistent with our model specifications.

As discussed with Con Ed staff members, we now request that you submit similar proposed Technical Specifications for Indian Point Unit No. 3. We request that these specifications also be consistent with the model Technical Specification that we provided for Unit No. 2. We request that you submit the proposed snubber Technical Specifications for Unit No. 3 by November 15, 1976.

Sincerely,

Robert W. Reid, Chief
Operating Reactors Branch #4
