Dear Mr. DeYoung

Enclosed herewith are 40 copies of the Final Report, prepared by Dames & Moore concerning the investigations of the on-site fault system at Indian Point.

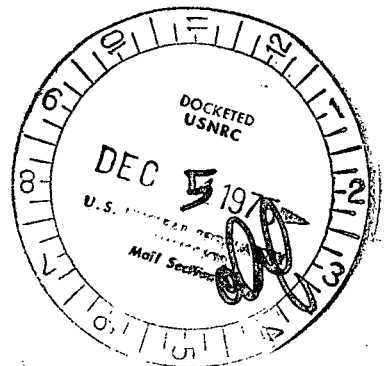

The Review Panel is scheduled to meet with representatives of Dames & Moore and Con Edison on December 6, 1975 to discuss the Panel's review of this report.

Con Edison will present its position concerning the report, and reflecting the results of Panel's review, to the Regulatory Staff on December 8, 1975.

Very truly yours
