COMMONWEALTH OF PENNSYLVANIA:

SS

COUNTY OF ALLEGHENY:

Before me, the undersigned authority, personally appeared Robert A. Wiesemann, who, being by me duly sworn according to law, deposes and says that he is authorized to execute this Affidavit on behalf of Westinghouse Electric Corporation ("Westinghouse") and that the averments of fact set forth in this Affidavit are true and correct to the best of his knowledge, information and belief:

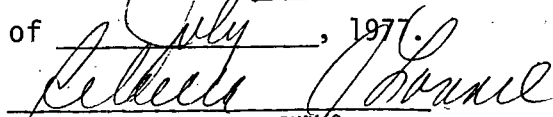

The proprietary material of Westinghouse being transmitted by Consolidated Edison Company of New York, Inc. - Results of the October, 1976, and January, 1977, Augmented Startup Program Tests Conducted at Indian Point Unit 3 - is of the same technical type as that proprietary material previously submitted by Westinghouse Letter No. NS-CE-1139, Eicheldinger to Stolz, dated July 19, 1976.

Justification for withholding such information from public disclosure has been provided by Westinghouse in a previously submitted affidavit and application for withholding, AW-77-8, dated August 11, 1976, a copy of which is attached. The averments in that affidavit apply equally to the above-referenced Indian Point Unit 3 reports, and are incorporated herein by reference.

Further the deponent sayeth not.
