I.E. Bulletin 79-21

Dear Mr. Grier:

Due to increased manpower requirements to answer other recent NRC requests, together with preparations for the upcoming refueling outage, the Authority finds it will not be able to respond to the subject bulletin within the time requested.

The Authority now plans to respond to I.E. Bulletin 79-21 by November 2, 1979.

Very truly yours,

J. P. Bayne
