NOTE TO L. MANNING MUNTZING

Attached is a copy of the proposed answer of the AEC regulatory staff to the request of Mary Hays Weik for a hearing on the show cause determination for Indian Point 3. An answer to this request must be filed by the close of business on December 15. We intend to file the attached answer at that time.

The counsel for the applicant, Consolidated Edison Company, Inc., has informally indicated to us that the applicant will also oppose a hearing on the determination.

For your information I have also attached a copy of the incoming request for a hearing filed by Mrs. Weik.
