Peter A. Morris, Director, Division of Reactor Licensing, HQ

ORNL ASSISTANCE TO CONSOLIDATED EDISON COMPANY OF NEW YORK, INC.

I thought you might be interested in the attached letter from ORNL to me describing the assistance the Reactor Safety Information staff, RSIC-ORNL, is providing Consolidated Edison of New York, Inc., in connection with the failure of a hoist during installation of a reactor pressure vessel. It has been agreed between ORO, RDT and ORNL that actual consulting services should be furnished Con Ed, N.Y. Con Ed, N.Y. is paying the travel expenses of the ORNL personnel on the fact finding trip and will pay "full cost recovery" for additional consultation.
