Docket No. 50-286

Files

CONSOLIDATED EDISON COMPANY, INDIAN POINT NUCLEAR GENERATING,
UNIT NO. 3 - TRANSMITTAL OF APPLICATION TO HUDSON RIVER VALLEY
COMMISSION

At the request of Mr. Muller, I called Mr. Robert Vessels, AEC
Coordinator at the Department of Commerce, Albany, New York, to
inquire if Commerce had transmitted a copy of Consolidated Edison
Company's IP-3 application to the Hudson River Valley Commission.

Mr. Vessels informed me that in June 1967, Con Ed held a briefing
to discuss its application with local and state representatives.
A representative of HRVC was present, and subsequently Commerce
transmitted a copy of Con Ed IP-3 application to HRVC.
