Jon -

On Wednesday, January 20, 2010 the NRC staff received a copy of Uranium One's submittal addressing the remaining safety evaluation report open issues and the remaining environmental report RAI. Uranium One's submittal was dated January 18, 2010.

The document is in the process of being added to ADAMS. The staff has started reviewing the submittal.

If you have any questions, I can be reached at 301-415-0724.
