Docket No. 50-286

Mr. George F. Kugler, Jr.
Attorney General
State of New Jersey
State House Annex
Trenton, New Jersey 08601

Dear Mr. Kugler:

The Atomic Energy Commission has forwarded to the Office of the Federal Register for filing and publication a Notice of Consideration of Issuance of Facility Operating License and Notice of Opportunity for Hearing. The notice relates to the proposed issuance of a facility operating license to the Consolidated Edison Company of New York, Inc. for the operation of the Indian Point Nuclear Generating Unit No. 3 at a steady state reactor core power level not to exceed 3025 megawatts (thermal). A copy of the notice is enclosed.

Sincerely,

Original signed by
