

JAN 30 1969

Docket No. 50-286

Mr. Thomas Gerusky, Chief
Radiological Health Section
Bureau of Environmental Health
Pennsylvania Department of Health
Health and Welfare Building
Harrisburg, Pennsylvania 17120

Dear Mr. Gerusky:

A copy of a letter to Chairman Seaborg from the Advisory Committee on Reactor Safeguards, dated January 15, 1969, is enclosed for your information.

The letter relates to the application filed by the Consolidated Edison Company of New York, Inc., for authorization to construct and operate the Indian Point Nuclear Generating Unit No. 3 to be located in the Village of Buchanan, Westchester County, New York.

Sincerely,

(signed) Harold L. Price

Harold L. Price
Director of Regulation
