Docket No. 50-286

NOV 6 1972

Mr. Edward J. Bauser
Executive Director
Joint Committee on Atomic Energy
Congress of the United States

Dear Mr. Bauser:

This supplements my letters to you dated October 4 and October 12, 1972, concerning notices required by the restructured rules. We have sent to the Office of Federal Register the enclosed Notice of Consideration of Issuance of Facility Operating License and Notice of Opportunity for Hearing. This notice relates to the planned consideration of issuance of a facility operating license to the Consolidated Edison Company of New York, Inc. for the operation of the Indian Point Nuclear Generating Unit No. 3.

Sincerely,

Original signed by A. Giambusso
