Dear Dr. Newmark:

A copy of a letter to Chairman Seaborg from the Advisory Committee on Reactor Safeguards, dated January 15, 1969, is enclosed for your information.

The letter relates to the application filed by the Consolidated Edison Company of New York, Inc., for authorization to construct and operate the Indian Point Nuclear Generating Unit No. 3 to be located in the Village of Buchanan, Westchester County, New York.

Sincerely,

Original Signed by
D. R. Muller

Roger S. Boyd, Assistant Director
for Reactor Projects
Division of Reactor Licensing
