RE: Follow-up to phone conversation this AM, 01/25/10

1. St. Vincent Health System will lease from Critical Access Health Services with an option to purchase in 5 years.
2. Joseph Roeche is our interim CEO, he is with St. Vincent Health System.
3. June Virgilio, CNO, is with Critical Access Health Services.

Let me know if I can do any more to help clarify things.
